April 2024

We are going to forgo our trivia this issue and take a moment to say goodbye to a long time friend Ray Plunkett from S. Parker Hardware. Ray passed away last month, he was 75 years old. Ray was an intricate figure when KSP began back in the 80's. He and Doug Maston were good friends and shared their love of the industry. On a personal note, I have worked with Ray for over 34 years and I will miss our phone calls and visits. Rest easy my friend.

Hello from all of us at KSP!

It has been a busy and exciting year so far and we are headed into our trade show season.
