June 2023

Get out and enjoy the sun!!! Human brains work better in summer! One of the many advantages of sunshine for your health is how well it supports your brain. The benefits of sunshine exposure include a reduction in cognitive loss brought on by ageing and an improvement in cognitive performance. The body produces vitamin D in response to the sun's rays, which has been associated with enhanced cognitive performance and a decreased risk of dementia — I don't know about you but I'm heading to the beach!!!

Happy Summer!

This time of year brings one of our favorite Trade Shows - ALOA! This year will be in Orlando, FL, August 11th and 12th. KSP will be in booth 305—come on over and visit with Gene, Brian and Karen! A few of the products to be seen:

A2 Pin Kit

SFIC Cores

K7CamKit

Important News: *KSP's Annual Summer Shutdown will take place on July 3rd thru July 7th and we will re-open on July 10th. Karen and Kellie will be monitoring emails but Production/Shipping & Receiving will be closed for the week.*

Happy 4th from all of us at KSP!
