June 2022

A few Fun Facts about Summer: A popular summer treat is watermelon. Watermelon is part of the cucumber, pumpkin, and squash family and consists of 92% water. On average, Americans consume 15 pounds of watermelon annually. July, the hottest summer Month in the Northern Hemisphere, is National Ice Cream Month, not surprisingly. Americans eat an average of 20 quarts of ice cream a year. Vanilla is the most popular flavor.

Happy Summer!

This time of year brings one of our favorite Trade Shows - ALOA! This year will be in Las Vegas at the South Point Hotel July 29th and 30th. Please stop by Booth 515 and visit with Gene, Brian & Karen. One of our topics of conversation will be about our new automated pinning process. This investment has allowed us to offer expedited shipping on combined/pinned cores. Some orders are ready to ship in 5-7 business days or sooner! All cores and keys are marked with keyset number. Custom lasering is also available on cores—contact us for pricing.
